

SOFT-SKILLS ASSIGNMENT

Module 2) Technology

● Discuss plans for upgrading your technology skills.

Ans. -> To upgrade my technology skills, I am currently enrolled in a Softer Engineering course. After completing this course, I plan to pursue an Android App Development Course with Kotlin.

● Mention any relevant courses, certifications, or resources you are pursuing.

Ans. ->

-> I know, WSCube Tech Chenal on YouTube is teaching an Android app development course.

-> I know, The Google Developers Training program, which offers a certification program that provides a Google-Certified credential.

-> I have many resources like, currently I am doing an offline Android app development course. And I am also learning through YouTube.

● Share your approach to continuous learning and professional development.

Ans. -> My goal is to further my career in Android App Development, and these steps will help me gain the necessary knowledge and expertise to achieve that.
